With the month of October upon us, we would like to thank all the dancers, families and staff for making the beginning of our season a huge success.

Did you ever wonder why dancers are called athletes?

1. It can increase the physical ability of children and adults. You can gain discipline, balance, coordination, flexibility, strength and stamina.
2. Dancers are part of a social group that helps them to communicate with others, allows them to be a part of a team and enjoy the art of dance.
3. Educational benefits such as creativity, learning to focus, dedication and working together.
4. Improved self-esteem and confidence. They learn their bodies and how to move them. In addition, the stress relief it provides and it is FUN!

Sunday, October 29th
 --- 2:30-4:30pm ---

Rosy Cheeks will be in the studio with all of your dance shoe and dance wear needs. Now is the time to purchase holiday gifts or order shoes for the season.

*"When you dance,
 your purpose is not to get to
 a certain place on the floor.
 It's to enjoy each step
 along the way."
