

# 2018-19

## Dance Team Information

Hello! Thank you for reaching out regarding more information on our 2018-19 (competitive) dance team. Below and attached you will find lots of information. Please feel free to ask any questions you might have.

### **AUDITIONS: Sunday, June 3, 2018 | 1:00-3:30**

- Auditions will consist of a warm up, down the floor progressions and an upbeat jazz combo. We will be looking at skill level, performance ability (body presence, facials, etc), and technique. All dancers will be asked to show us their R&L leaps, splits and pirouettes. After auditions, we will place dancers into groups for how they will compete and perform the next year. All dancers must be in a black leotard and tan tights for auditions, and may wear black shorts. What to bring to auditions:
  1. A headshot (does not have to be professional)
  2. Completed Dance Team Interest forms (will send out late May)
- **WHAT IF AUDITIONS ARE MISSED?** While we don't encourage it, we do understand if a dancer is not able to be at the auditions due to a prior engagement. We will need to know about this **BEFORE** the auditions to be considered. If the audition is missed, the following items must be submitted:
  1. 1-2 minute video of the dancer doing a routine (must be within 6 months old)
  2. A short video of the dancer doing R&L leaps, splits and pirouettes
  3. A headshot (does not have to be professional)
  4. Completed Dance Team Interest forms (will send out late May)

### **SEASON: Practices begin on Sunday, September 16, 2018**

- Practices are held on Sunday's...times are TBD and will be based on what routine the dancers are in. Practices will start no earlier than 12:00pm and end no later than 5:00pm. Practices are **MANDATORY**. Any more than 3 practices missed during the year (excused or unexcused) will lead to termination from the dance team.
- In September / October we will hold 2-4 **INTENSIVE DATES**. These intensive dates are required and will be huge choreography days. These practices might be on Saturday or Sunday, and we will have the full schedule determined by late June.

## REQUIREMENTS:

- Mini Team (will be announced later during the summer)

- Elite Dance Team:
  - 1 production dance (with DT) | 3 local competitions
  - 2-4 additional routines | 3 local competitions – 1 competition within a 2.5 hour drive

## FUNDRAISING:

### INDIVIDUAL:

- **CONCESSIONS:** We have a great opportunity for fundraising. We work closely with a local Madison church and participate in concession stands with them. Working concession stands allow parents (or dancers 15+) to earn money that is applied directly to their account. ALL concessions worked are individual fundraising. The money earned will be applied to your Studio Director account and be applied towards team associated items. There are typically a handful of concession opportunities per month and are year round, so as soon as your dancer makes team you can start the fundraising process.
- **DIRECT SALES:** We will do a candle sale in the late fall, this is again individual and up to the dancers family if you want to participate

**ADDITIONAL NOTES:** Please keep in mind, dance team is a timely and financially hefty commitment. Please be ready to commit for the entire year. Any money paid is non-refundable. We try incredibly hard to keep costs as low as we can. We promise to keep everyone in the loop and provide schedules, practices, team bonding, competition dates early!
