{Solo, Duet and Trios are FIRST COME, FIRST SERVE as we are limited on time slots. Registration for these will open on June 16, 2019. Solo, Duet and Trio fees are **NOT** included in the unlimited tuition fees or any other discounts. Solo, Duet, Trios can be performed competitively or recreationally. When signing up, you are committing to a solo, duet or trio, not a specific time slot. We will start scheduling in July, trying to find the best time slot to accommodate a dancer and teacher. You can request a “preferred” day/time/teacher, **but it is not guaranteed**. Competition and costume fees are separate from these fees.}

NOTE: Only senior solos (dancers 15+, until we have actual HS Seniors) will be in the recital. We will have a separate Dance Team and solo, duet, trio showcase on the same day as recital (this will be a "free" show). Duet and Trios will also be able to perform in the recital. With the increase of numbers, we cannot have them all performing in recital to limit the length of our shows.

****If we can accommodate additional solos in the recital, we will make let you know early 2020.****
